Online Discussion

Use this as a guide for your online discussion on Google Classroom.

Discussion Tips:

1. Respond to at least 2 other student's assignments.
2. Provide positive feedback for your peers. If you have suggestions, be sure to be kind and respectful.
3. Keep your responses clear and concise.

Other Questions to Consider:

4. What materials did you find most useful? What materials did you like on someone else's project?
5. Where did you draw inspiration from for your project?
6. What would you like to include in future obstacle course ideas?
