Instructions

You will be creating a historical timeline for your Ozobot to follow. The following events **MUST** be in your timeline:

- Declaration of Independence
- Intolerable Acts
- Boston Tea Party
- French and Indian War
- Battles of Lexington and Concord
- Treaty of Paris
- Stamp Act
- Boston Massacre
- Townshend Acts
- Battle of Saratoga

For each event, you must provide the following:

- Name of the event
- Year(s)
- Image (either drawing or from the Internet)
- A brief description

Your timeline can be in any shape you want, as long as it's readable. For every event, add one Ozobot code on the line as well. Be creative!
