

Color My World **Color Mixing, Tints and Shades**

Materials:

- Personal device or interactive flat panel
- WiFi
- SMART Notebook
- SMART Learning Suite Online

Description: During this activity students will use the manipulatives created in SMART Notebook to review the color wheel and to experiment with tints and shades. There will also be an opportunity to review the colors of the rainbow with a quick Class Lab game.

Teacher Technology Skills:

- SMART Notebook
- SMART Learning Suite Online
- Interactive Flat Panels

Standards: National Core Arts Standards

VA:Cr1.2.1a: Use observation and investigation in preparation for making a work of art.

VA:Cr3.1.1a Uses art vocabulary to describe choices while creating art.

Procedure:

1. Open the SMART Notebook file in Notebook or in SMART Learning Suite Online
2. Have the students complete the 5 activities as a group or individually based on the instructions on each page.

Extension:

1. Break out the paint or pastels and have the students experiment with color mixing, tints, and shades
2. With their newly created colors have the students create a unique work of art.
