

How to Make a Rube Goldberg Machine:

1. Collect junk, recyclables, old toys, anything will do!
2. Construct your chain-reaction contraption.
3. Test it out – and improve!

For inspiration visit: [Rube Goldberg TV on YouTube](https://www.youtube.com/user/rubegoldberg)

Things to Consider

1. How many steps will your machine be?
2. What task will it complete?
3. Will your machine have a theme or tell a story?
