

## What Coaching Is and Isn't

Student-Centered Coaching Is	Student-Centered Coaching Isn't

A partnership between coaches and teachers
Collaborating with teachers on planning and implementing standards-based units or projects
Focused on student learning
Intervention for a few struggling students
Coaches supervising/evaluating teachers
Focused on differentiation for all students based on various forms of assessment
About "fixing" teachers
Just coaching cycles
Good for our students

Outcomes and standards-based goals
Driven by teachers' goals
Flexible and responsive
Fun and interesting
Evaluative
Focused on making teachers do things
A waste of time
Another thing
Driven by the administrator, coach, or district
Coaches telling teachers what to do
Fixed and inflexible
Something to avoid
A learning opportunity for everyone
