

# GETTING STARTED WITH ADOBE EXPRESS

## FOLLOW THESE STEPS:

Choose what type of creation you want to make (social media post, video, poster, etc.)

Browse pre-made templates or choose to start a creation from scratch

Start adding media (videos, pictures), selecting a theme, adjusting the background color, and more!

## REMEMBER

Put your own twist on your project by adding text and images like the ones you see on this poster!

## WHAT WILL YOU CREATE WITH ADOBE EXPRESS?
