Perspective Taking Worksheet

Directions: Choose a story with two characters who are in conflict. Respond to the following questions from the perspective of each of the characters:

	Character #1	Character #2
	_____	_____
Why did the character make a certain choice or take a particular action?		
How did the character feel about an event?		
What did the character think when the event occurred?		
What did the character want from the event?		
In the story, what did the character want most of all?		
Which character's perspective do you relate to the most? Why?
