

# Silly Sequences

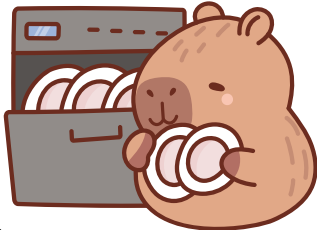

Teacher Instructions: Cut out the following images, then have students put them into the correct order based on the images and text clues.

First, capybara makes some eggs.

Next, capybara loads the dishwasher.

After the dishes are done, capybara does some laundry.

Finally, capybara gets to rest.

Hamster makes a plan for saving money.

Then, hamster does many hours of work.

Hamster earns money for his hard work.

After saving up his work money, hamster buys a new video game.

One day frog went camping and set up a tent.

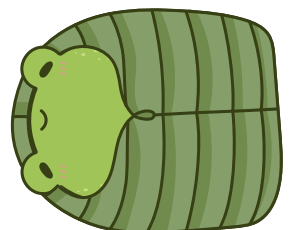

Later that evening, frog made s'mores by the campfire.

Then frog ate his s'more, sang songs, and stargazed.

At last, he went to sleep in his cozy sleeping bag.

# Catherine the Cat's Challenge

Teacher Instructions: Cut out the following images, then have students put them into a logical order based on the images and text clues.

You can adjust these to shorter sequences as needed.

First, Cat comes home from school.

Next, she washes her hands.

With clean hands, Cat has an afternoon snack.

As soon as she finishes her snack, Cat does her homework.

Later on, she has dinner.

Cat helps clean up after dinner.

Then she has some playtime before she takes a bath.

After a while, it's bath time.

Once she dries off and puts on her PJs, Cat brushes her hair.

Soon afterwards, she brushes her teeth.

Before bedtime, Cat reads her favorite story.

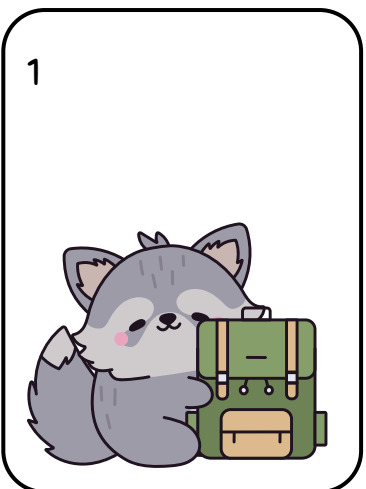

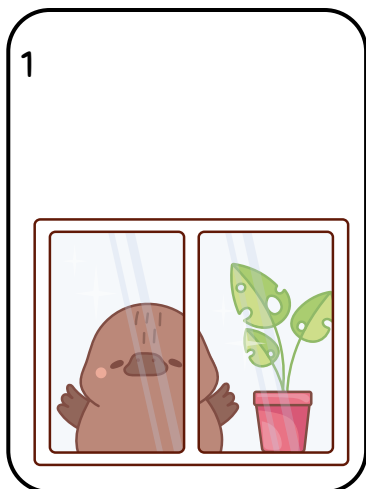

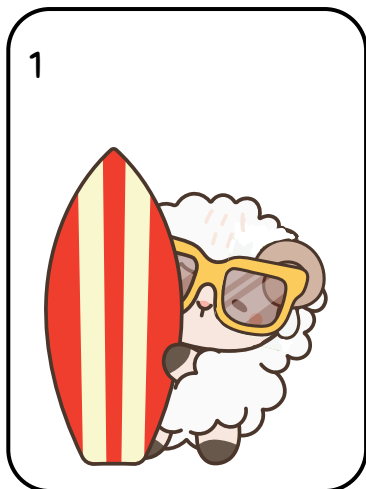

At last, Cat goes to sleep.
